

Thermaco Incorporated

POSITION DESCRIPTION

Position Title: Marketing Associate

Thermaco® creates technology that protects the environment within the foodservice industry. Through the products we make and market, Big Dipper® Automatic Grease Traps and Trapzilla® Supercapacity Grease Interceptors, we help commercial kitchens and communities manage kitchen grease in an environmentally responsible and efficient manner.

The Marketing Associate will help execute marketing strategies for both Big Dipper & Trapzilla brands. These marketing efforts will impact customers and communities by increasing product knowledge with these audiences and strengthening their connection to the brands. This is an entry-level position that provides opportunities for continued education and growth.

Join our team, make a difference, enjoy what you do, and help build an environmentally sustainable future!
